### The Male Intellect

**Friday, August 7 & Saturday, August 8, 2009**

“What do women want?” You’ll laugh non-stop as gifted actor/writer, Robert Dubac, ransacks his brain to answer this age old question. You’ll be amazed as one man transforms himself into five alter egos – each offering their own brand of misguided advice while straddling the gender gap. There are two types of people who should rush and see it – men and women!
